

Kilcoy LAC in Community

Delivering the NDIS in
your community.

We are here to support you on your NDIS journey

Carers Queensland is working with the National Disability Insurance Scheme (NDIS) to deliver the Local Area Coordination Partner in the Community Program.

We can help you understand the NDIS, how to access the Scheme and guide you through the planning process. If you are a NDIS participant, you can ask questions about using your funding, finding and working with service providers, and using the online portal. We can also help you find support available in your local community if you're not eligible for the Scheme.
