

LOCKYER ZONE

AMAZING ATHLETES

2025 Lockyer Zone Athletics Carnival

On Friday 15th August 2025 the Brisbane Valley Cluster Athletics Team travelled to Ropehill to compete at the 2025 Lockyer Zone Athletics Carnival. It was the largest team of students, totalling 75 across the 5 schools, that had ever represented the Brisbane Valley Schools.

All students showed amazing spirit, competitiveness and sportsmanship throughout the day and gave every event their best effort. The weather was perfect, and some exceptional results were achieved across the day by several of our students. Overall, the Brisbane Valley Schools won two (2) of the major trophies. One of which had not been won by another area outside Upper Lockyer for 16 years. **An absolutely fantastic result!!!!**

We had 23 students selected for the Lockyer Zone Athletics Team that will compete at the Darling Downs Athletics Carnival in Toowoomba on the 1st and 2nd September 2025. We wish each of the students every success.

The results of the day are below:
